

Specially designed hydraulic power pack has air cooled diesel engine and additional take off for ancillary equipment.

HYDRAULIC POWER PACK

Name	HP	Stock Number
Diesel Power Pack	30HP	PPP-3000
Diesel Power Pack	50HP	PPP-5000

PPP-3000

Structure	Forklift/ Eyebolt
Pressure Release Valve	form 20 to 150bar
Diesel Engine	23KW-1800rpm 3 cylinders
Hydraulic pump	120l/min
Flow Control Valve	with visible value
Oil tank volume	165l
Weight	tba
2x 1" 15m hose set with quick release conections	
2x 1 1/4" 15m hoses et with quick release conections	
2x 3/8" 15m hose set with quick release conections	

PPP-5000

Structure	Forklift/ M22 Eyebolt
Pressure Release Valve	form 20 to 200bar
Diesel Engine	36.8KW-2500rpm
Hydraulic pump	125l/min
Flow Control Valve	with visible value
Oil tank volume	360-400l
Weight	tba
2x 1" 15m hose set with quick release connections	
2x 1 1/4" 15m hose set with quick release connections	
2x 3/8" 15m hose set with quick release connections
